LITTLE THINGS.

'Tis the sunny sky and the blurring showers,
The songs of birds on wing,
The little green leaves that blossom
That go to make the spring.
'Tis the bright and warmest harmonies
Make the major chord resound,
Whilst the sad-voiced minor music
Floats manfully around.
'Tis each thread in the weaver's wool
Makes the pattern and or gay;
Each little shade a power is,
Be it crimson, or gold, or gray.
'Tis the little smiles and sighs of life
That go to make the whole;
'Tis the fleeting joys and the falling tears
That develop the human soul.
—Maud Dunkey.

a gala occasion and enjoyed to the fullest by
the poor children now being looked after and

which Sowards undertook to prevent, when he
turned on Sowards and fired, shattering his
knee. As Mr. Sowards fell he raised his gun
and fired, shooting Sullivan through the heart,
killing him instantly.

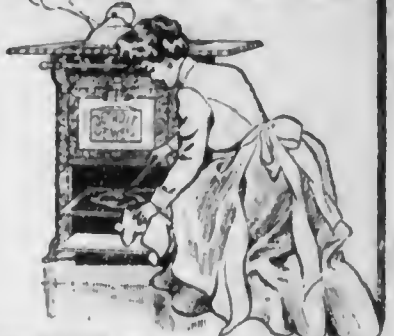

There is more Catarrh in this section of the
country than all other diseases put together, and
until the last few years was supposed to be incur-
able. For a great many years doctors pronounced
it a local disease and prescribed local remedies,
and by constantly failing to cure with local treat-
ment, pronounced it incurable. Science has
proven catarrh to be a constitutional disease and
therefore requires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J. Cheney &
Co., Toledo, O., is the only constitutional cure on
the market. It is taken internally in doses from
10 drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system. They
offer one hundred dollars for any case it fails to
cure. Send for circulars and testimonials. Ad-
dress: F. J. CHENEY & CO., Toledo, O.

PEOPLE who oppose traction lines ought to be forced to walk to their own funerals.

THE Russian Envoys will hardly lose sight of the fact that it's themselves and not the Japanese who are asking terms.

FOUR fools indulged in a wrestling match in a skiff while crossing the river at Cincinnati; and now there are only three of them.

FOLLOWING the war between Japan and China a treaty of peace was signed on April 17th, 1895, Li Hung Chang and Li Ching Fong representing China and Count Ito and Viscount Mutsu representing Japan.

By the treaty China recognized the independence of Korea; ceded to Japan part of Manchuria in the Liao and the Yalu river countries; ceded Formosa and the Pescadores; gave to Japan extensive commercial rights and privileges; agreed to pay a war indemnity of \$200,000,000.

Russia, France and Germany protested against the cession of the Liao Tung Peninsula after the treaty had been ratified. Japan was told she must surrender Manchuria or fight again. Russia, in particular, was peremptory in her demands. Japan, weakened by war, was forced to give in, and Manchuria remained a field for the larger war operations now drawing to a close. Again it will become a subject of peace discussion. The "bottom rail is now on top," and this time Japan will fix the terms.

AT Beechwood the other night I saw half a dozen ten-year-olds smoking cigarettes. Wonder if the officers could possibly find out where they got the deadly things?

THE yellow fever situation in New Orleans is quite encouraging. A late dispatch says "fewer cases are expected today;"—after about everybody in town is down with the disease.

WHEN The Louisville Times ventures an Editorial outside of politics, it generally proves as expert as a ship carpenter in hitting the spike squarely on the head. Speaking of the immigration problem, it says—

"The arrest of the Captain of an Austrian line steamship, for bringing over a number of immigrants largely in excess of that for which his vessel provided the requirements specified by law, comes so shortly after the revelations made concerning the inhuman character of the traffic carried on by European steamship companies as to hold out the hope that the United States authorities will make the subject one of thorough and immediate investigation. There can be no doubt that the greater part of the aliens brought to this country by the hundreds of thousands each year are herded in the steerage with less consideration and fewer provisions for their maintenance than are given to cattle on board the ships regularly employed in the cattle trade. The wrongs committed carry with them heavy penalties for those found guilty of their commission, and no better beginning of their enforcement can be made than in the case of the Austrian Captain, if the proof of his guilt can be clearly established.

"The whole question of immigration is in need of better understanding, and while the United States, through its Secret Service Agents, can effectively put a stop to open and flagrant violations of the laws concerning the treatment of aliens on their way to this country, it should, at the next session of its Congress, make full inquiry as to their probable status after arrival. As matters now stand the illiterate and the criminal classes of Southern Europe are being dumped into the United States with such regularity and in such constantly increasing numbers as to constitute a problem, already grave, and growing in gravity each year. Unless it is settled speedily and settled rightly, the cost of its neglect will not be small."

SAFE IN ARMS OF MORPHEUS.

General Linevitch's latest dispatch that the "Russian Army is safe" indicates that it has reached some one of those Manchurian cities it has been hurrying toward and thrown itself upon the protection of the police.

A GOOD NIGHT'S REST

"Speak for It" she cried to doggie, For she knew in her little heart, That German Syrup, home's great treasure, Could health and joy impart.

THE greatest tonic on earth is a good night's rest. Restless nights and the terrible exhaustion of a hacking cough are dread dangers of the poor consumptive. But why this fear of the night when a few doses of Dr. Boschee's German Syrup will insure refreshing sleep, entirely free from cough or night sweat? Free expectoration in the morning is made certain by taking German Syrup. We know by the experience of over thirty-five years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. Two sizes, 25c and 75c. All druggists.

A WOMAN'S ORDEAL

DREADS DOCTOR'S QUESTIONS
Thousands Write to Mrs. Pinkham, Lynn,
Mass., and Receive Valuable Advice
Absolutely Confidential and Free

There can be no more terrible ordeal
to a delicate, sensitive, refined woman
than to be obliged to answer certain
questions in regard to her private life,
even when those questions are asked
by her family physician, and many

continue to suffer rather than submit
to examinations which so many phys-
icians propose in order to intelligently
treat the disease; and this is the rea-
son why so many physicians fail to
cure female disease.

This is also the reason why thousands
upon thousands of women are corre-
sponding with Mrs. Pinkham, at Lynn,
Mass. To her they can confide every
detail of their illness, and from
her great knowledge, obtained from
years of experience in treating female
ills, Mrs. Pinkham can advise women
more wisely than the local physician.

Read how Mrs. Pinkham helped Mrs.
T. C. Willadsen, of Manning, Ia. She
writes:

"I can truly say that you have saved my
life, and I cannot express my gratitude in
words. Before I wrote to you telling you
how I felt, I had doctored for over two years
steadily, and spent lots of money in medicines
besides, but it all failed to do me any good. I
had female trouble and would daily have faint-
ing spells, backache, bearing-down pains, and
my monthly periods were very irregular and
finally ceased. I wrote to you for your ad-
vice and received a letter full of instructions
just what to do, and also commenced to take
Lydia E. Pinkham's Vegetable Compound,
and I have been restored to perfect health.
Had it not been for you I would have been in
my grave to-day."

Mountains of proof establish the fact
that no medicine in the world equals
Lydia E. Pinkham's Vegetable Com-
pound for restoring women's health.

O. G. Klose, slayer of J. W. Ingram near Lex-
ington a few days ago, was captured in Bracken
county Wednesday and taken to Lexington
and placed in Jail.

The friends of Rev. George Froh and his ex-
cellent family are very desirous that he be re-
turned to the pastorate of the Washington and
Hebron Churches another year.

Asa Dodge, aged 75, the oldest and one of
the wealthiest insurance and real estate men
in Lexington, died at his residence Wednesday
evening from general debility. He is said to
have been worth \$175,000.

Oliver Little, the thirteen-year-old son of
Aubrey Little of Breathitt county, was arrested
on War creek, that county, and was lodged in
Jail at Campton on the charge of being an
accomplice of his father in stealing cattle. The
boy's father is under \$500 bond.

MORANSBURG.

Miss Mary Sheeler has returned home from Huntington.
Miss Irene Hughes is the guest of relatives on Jersey Ridge.
The wife of Mr. Fred Strausbaugh is seriously ill of stomach trouble.
Rains would be welcomed here as corn and tobacco are firing badly.
Mrs. Urb Haley of Donerail is visiting her parents, Mr. and Mrs. Sam Perrine.
Mr. and Mrs. James Douglass of Huntington are visiting the family of Mr. J. Sheeler.
Miss Emma Martin of Aberlone is visiting her aunt, Mrs. Fred Adams, on Jersey Ridge.
Mr. Sam McNutt and T. K. Proctor, carpenters of Maysville, have completed a tobacco barn for Mrs. Will Tuggle on Jersey Ridge.

Mrs. John Mason of Millersburg is visiting her sister, Mrs. Mary Moran, and other relatives.
To read the items in the various newspapers last week one would suppose that Mrs. N. Richardson raised the banner flock of turkeys. To come down to the truth of the thing there wasn't much in it. Foxes had made repeated attacks on what was a nice drove until they had gotten all but twenty which were disposed of at a fair price to the produce company. As for them furnishing twenty-five dozen as was stated, there was not any truth in it. Possibly the company had orders for that number to feed the foreigners on.
Wanted—A cook. J. Harbour Russell.
Thomas E. Myers, Postmaster at Greenup the past eight years, has been removed and Charles F. Taylor appointed in his place. The removal caused some surprise, as Myers was a Civil War Veteran and is unable to do manual labor.
WANTS IT STRAIGHT
He Will Vote For a Democrat Before a Snide Republican

Yesterday afternoon a gray bearded veteran Republican, who has been in many a hotly contested political fray, was leaning over the gate at his home in Forest avenue in earnest conversation with another Republican of the bland and mild-mannered order.
The old war veteran was speaking something like this—
"I want to vote for a good, capable, honest Republican for Commonwealth's Attorney, but if Mr. ———" calling the name of a certain Court street gentleman whose name has been mentioned in connection with the office, "is nominated, I shall certainly take pleasure in casting my vote for Mr. Hennessey, the Democratic candidate."
He delivered himself with earnestness, and evidently meant every word he said.
In years gone by he has worked hard for the success of the party, and though advanced in years is a party leader today.

A Warning to Mothers.
Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripes. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhea Remedy and then a dose of castor oil, and the danger may be checked in its inception and a danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

ECZEMA ON LITTLE GIRL
Sleepless Nights for Mother and Awful Suffering of Child.
CURED BY CUTICURA
Had Given up All Hope of Ever Making Any Cure.

Mrs. I. B. Jones, Addington, Ind. T., writes: "My little girl had been suffering for two years from eczema, and during that time I could not get a night's sleep, as her ailment was very severe. I had tried so many remedies and spent so much money, deriving no benefit. I had given up all hope of making any cure. As a last resort I was persuaded to try Cuticura, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication, hoping it will assist other sufferers in curing themselves."

COMPLETE TREATMENT
Consisting of Cuticura Soap Ointment and Pills.
The first step in the treatment of chronic eczema is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. Dry carefully and apply Cuticura Ointment, lightly at first, and where advisable spread it on pieces of soft cloth and bind in place. Take the Resolvent Pills, or liquid, in medium doses. Do not use cold water in bathing, and avoid cold, raw winds.

A MAYSVILLE CASE
Many More Like It in Maysville.
The following case is but one of many similar occurring daily in Maysville. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.
C. L. Hubbard, employed in Cablish's Grocery, Cox Bldg., and living at 325 W. Third street, Maysville, Ky., says:
"As I stated in a testimonial given in 1900, Doan's Kidney Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again used Doan's Kidney Pills and again found complete relief. Now, after nearly five years, I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of its use in my case have been very satisfactory. I got the remedy at J. Jas. Wood & Son's Drugstore.
For sale by all dealers. Price 50 cents a box. Foster-McBum Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no substitute."
